On the chart below, you'll see what your plan pays for specific services. There are two levels of network benefits coverage for certain services: Enhanced Value and Standard Value*. When you receive services from providers at the Enhanced Value level of benefits, you will pay less out of pocket. You may be responsible for a facility fee, clinic charge or similar fee or charge (in addition to any professional fees) if your office visit or service is provided at a location that qualifies as a hospital department or a satellite building of a hospital.

**The terms "Enhanced Value" and "Standard Value" are not descriptors of the provider's ability.*

- 1) Your group's benefit period is based on a Calendar Year which runs from January 1 to December 31.
- 2) The Network Total Maximum Out-of-Pocket (TMOOP) is mandated by the federal government, TMOOP must include deductible, coinsurance, copayments, prescription drug cost share and any qualified medical expense. With your aggregate TMOOP, once an individual's TMOOP is satisfied, claims will pay at 100% of the plan allowance for covered expenses for the rest of the benefit period. Claims for the remaining family members will pay at 100% once the family TMOOP amount is satisfied collectively.
- 3) Services are limited to those listed on the Highmark Preventive Schedule (Women's Health Preventive Schedule may apply).
- 4) Benefits for Emergency Care Services rendered by an Out-of-Network Provider will be paid at the Network services level. Benefits for Hospital Services or Medical Care Services rendered by an Out-of-Network Provider to a member requiring an inpatient admission or observation immediately following receipt of Emergency Care Services will be paid at the Network services level. The member will not be responsible for any amounts billed by the Out-of-Network Provider that are in excess of the plan allowance for such services.
- 5) Air Ambulance services rendered by out-of-network providers will be covered at the highest network level of benefits.
- 6) Diagnostic assessment to diagnose Autism Spectrum Disorders may be performed by a licensed physician, licensed physician assistant, licensed psychologist or certified registered nurse practitioner. Diagnostic assessments performed by a licensed physician, licensed physician assistant or certified registered nurse practitioner will be covered as specified in the Office Visit benefit category. Diagnostic assessments performed by a licensed psychologist will be covered as specified in the Mental Health Care Services-Outpatient benefit category. Applied Behavioral Analysis for the treatment of Autism Spectrum Disorders will be covered as specified above. All other Covered Services for the treatment of Autism Spectrum Disorders will be covered according to the benefit category (e.g. speech therapy, diagnostic services). Services for the treatment of Autism Spectrum Disorders do not reduce visit/day limits.

- 7) If you receive services from an out-of-area provider or an out-of-network provider, you must contact Highmark Utilization Management prior to a planned inpatient admission, prior to receiving certain outpatient services or within 48 hours of an emergency or unplanned inpatient admission to obtain any required precertification. If precertification is not obtained and it is later determined that all or part of the services received were not medically necessary or appropriate, you will be responsible for the payment of any costs not covered by your health plan.
- 8) Covered Services will be covered according to the benefit category to which they apply (e.g. outpatient surgery, hospital inpatient, diagnostic services).

Health benefits or health benefit administration may be provided by or through Highmark Blue Cross Blue Shield, First Priority Health or First Priority Life, all of which are independent licensees of the Blue Cross Blue Shield Association.
